XXXIX. Summary of Educational Establishments 46

XL. Showing, by Sexes, the Number and Proportion per cent. to the Population under each Religious Profession of Persons receiving Instruction in Educational Establishments in the City, as constituted at each of the Censuses from 1881 to 1911, ... 47

EMIGRATION.

XLI. Emigration from the County of Antrim and City of Belfast during each year, from the 1st of May, 1851, to the 31st of March, 1911 47

CENSUS OF IRELAND, 1911.

CITY (OR COUNTY BOROUGH) OF BELFAST.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in previous Censuses, and give the following Summary of the results obtained respecting the City (or County Borough) of Belfast from the Census Returns of 1911.

SUMMARY.

Area.—The City (or County Borough) of Belfast covers an area of 15,139 statute acres, or 0·1 per cent. of the total area of the country.

Population (Table II.).—The number of persons in the City of Belfast according to the Census of 1901 was 349,180; and according to the recent Census, 386,947 (181,268 Males and 205,679 Females), or 10·82 per cent. more than in 1901.

Families and Houses (Table VIII.).—The number of distinct Families in the City at the time of the late enumeration was 77,370, the average number of persons in a family being thus 4·9. The number of Inhabited Houses was 75,172, showing an average of 5·0 persons to each house. In calculating these averages the Special Inmates of Public Institutions have been omitted.

Occupiers of less than 5 Rooms (Tables IX., X.).—The number of Occupiers (or Heads of Families) in occupation of less than five rooms in 1911 was 26,057, or 33·7 per cent. of the total number of Families in the City, and of these 2 were occupiers of part of a room only; 447 or 0·6 per cent. of the total number of Families in the City were occupiers of one room; 3,205, or 4·2 per cent., occupiers of two rooms; 3,898, or 5·0 per cent., occupiers of three rooms; and 18,505, or 23·9 per cent., occupiers of four rooms.

The number of Tenements of One Room in the City was 448, comprising 160 cases in which the room had only one occupant; 254 where the room had 2, 3, or 4 occupants; 31 cases in which there were 5, 6, or 7 occupants; and 3 cases where the occupants exceeded 7 in number.

Pauperism (Table XII.).—The number of persons returned in 1901 as receiving relief under the Poor Law System was 3,629, or one in every 96 of the population; of this number 3,359 were inmates of Workhouses, and 270 were in receipt of Outdoor Relief. In 1911 the number returned was 4,138, or one in every 94 of the population; 3,207 of these being in the Workhouses, and 931 on Outdoor Relief, which figure includes 45 children Boarded-out, and 11 in Certified Schools.

The Sick (Table XII.).—In 1901 the number of persons in the City of Belfast returned as Sick, on the night of the Census, was 2,781, or one in every 126 of the population. In 1911 the number so returned was 2,873, or one in every 135 of the population; of the latter number 674 were at their own homes, and 2,199 were in hospital.

Marriages, Births, and Deaths (Table XIV.).—For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the Poor under the Medical Charities Act; these Dispensary Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of District Electoral Divisions.

According to the returns of the Registrar-General, the number of Marriages registered in the City of Belfast during the ten years ending 31st March, 1911, was 27,861, equal to an average annual rate of 7·6 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 5·1 per 1,000.

The number of Births registered in the City during the ten years was 112,072, affording an average annual rate of 30·4 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·1 per 1,000.

The Deaths registered during the decennium amounted to 74,036, being equal to an average annual rate of 20·1 per 1,000; the corresponding rate for the whole of Ireland was 17·3 per 1,000.

Birthplaces of the Inhabitants (Table XXV.).—Of the persons enumerated in the City in 1911, 77·8 per cent. were born in Antrim or Down County or Belfast City; 10·9 per cent. in other Counties of the Province of Ulster; 2·0 per cent. in Leinster; 0·7 per cent. in Munster; 0·6 per cent. in Connaught; 7·2 per cent. in Great Britain; and 0·8 per cent. were born abroad.

Religious Professions (Table XXIX.).—The following Statement shows, according to Religious Professions, the Inhabitants of the City of Belfast in 1911 :—

Religious Professions.	1911.	
	Number of Persons.	Per-centage of Total Population.
Roman Catholics	93,243	24·1
Protestant Episcopalians	118,173	30·5
Presbyterians	130,575	33·7
Methodists	23,782	6·2
All other Denominations (and Religion unascertained)	20,553	5·3
Information Refused	621	0·2
Total	386,947	100·

From the above Table it will be seen that of the total population of the City in 1911, 24·1 per cent. were Roman Catholics; 30·5 per cent. Protestant Episcopalians; 33·7 per cent. Presbyterians; and 6·2 per cent. Methodists. In 1901 Roman Catholics formed 24·3 per cent.; Protestant Episcopalians, 29·5 per cent.; Presbyterians, 34·4 per cent.; and Methodists, 6·2 per cent. of the population of the City.

Education (Tables XXX. and XXXIII.).—In reckoning the number of illiterates the age of 9 years has now been substituted for the age of 5 which was formerly adopted.

On this basis the details of population, aged 9 years and upwards, for this City, are :—

	Population, 9 years and upwards.	
	Numbers.	Proportion per cent.
Read and write, ...	291,284	94·1
Read only, ...	7,176	2·3
Illiterate, ...	11,122	3·6
Total, ...	309,582	100·

For comparative purposes the figures for those between the ages of 5 and 9, who can read and write, are shown in Table XXX.

It is satisfactory to note that had the earlier age of five been taken as the starting point on this occasion, as in former years, it would have appeared that the per-centage of those unable to read or write, which was 8·7 in 1891, and 7·7 in 1901, had fallen to 7·5 in 1911.

Irish Speaking Population (Tables XXXVI. and XXXVII.).—The number of persons in the City of Belfast returned as being able to speak the Irish Language in 1911 was 7,595, representing 2·0 per cent. of the total population of the City. Of these 4 could speak "Irish only," and 7,591 could speak Irish and English.

Table (XXXVI.) gives for the first time, by District Electoral Divisions, the information available regarding the Irish-speaking portion of the population; while Table XXXVII. shows, for the City, the numbers in 1911, as compared with those returned in 1901.

School Attendance (Table XXXVIII.).—The number of pupils attending school in the City of Belfast, according to the Census of 1901 (week ending 11th May), was 58,015. In 1911 the number returned (for week ending 13th May), was 64,779.

Emigration (Table XLI.).—The number of Emigrants during the ten years ending 31st March, 1911, who stated that they were from the County of Antrim or City of Belfast, amounted to 32,804 (18,707 males, and 14,097 females); the number for the decade ending 31st March, 1901, was 14,946; for that ending with March, 1891, 45,469; for that ending with March, 1881, 59,431; for that ending with March, 1871, 54,670, and for that ending with March, 1861, 77,516, making a total of 284,836 for the sixty years.

The Navy and Military serving in Ireland are included in the Population Tables in 1861 and later, but not in previous Censuses.
There were 893 Military returned as serving in the City of Belfast in 1911.
* The boundaries of the City were extended by the Belfast Corporation Act, 1896.

TABLE III. (Part I.)—AREA in 1911, and HOUSES and POPULATION in 1901 and 1911, in each *WARD* or *DISTRICT ELECTORAL DIVISION* in the City (or County Borough) of BELFAST; also the General Valuation in 1911.

2nd and 3rd Class .	.	67,692	116	67,808	65,847
4th Class . . .	.	.	5	5	5
TOTAL . .	9,164	68,037	169	77,370	75,172

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, Its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows, and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.

Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

AND POPULATION.
